AUDIT ANALYTICS

AUDIT, REGULATORY AND DISCLOSURE INTELLIGENCE

AUDIT + COMPLIANCE

Audit Analytics is an independent research provider of audit, regulatory and disclosure intelligence. Through easy-to-use online research, Audit Analytics enables the accounting, investment, insurance, legal, regulatory, marketing, corporate finance, and academic communities to track, analyze, benchmark and understand public company disclosure issues and trends.

Data sets available in Audit Analytics track in detail the issues related to audit, compliance, governance, corporate actions, and federal litigation for all SEC registrants (including foreign and Canadian filers).

Audit Analytics subscribers include:

- 18 of the top 20 public accounting firms
- 4 of the top 5 errors and omissions insurers
- Over 160 universities
- · Key federal and regulatory bodies
