

Library-ese Assignment

This assignment is designed to help you become more familiar with important library terms, services, and resources. Some of this you may already know, but some of it will likely also be new to you. Using your prior knowledge, the Library Handouts and the Library Section of your FLASHGuide, work as a group to answer the following questions. You only have a few minutes. So work quickly.

1. What resource should you use to locate books at KSU? _____
2. To check out a book on Reserve at the KSU Main Library, where should you go? _____
3. Name one common style manual: _____
4. If you are unsure of what style manual to use for a research paper you are working on, whom should you ask? _____
5. Academic journals, peer-reviewed journals, and refereed journals are all different names for what? _____
6. Which classification system do the KSU Libraries use to organize books?

7. What terms does the following define: a listing of key pieces of information about a work (book, article, etc.) that make it possible to locate it?

8. Are *Newsweek* and *Sports Illustrated* considered scholarly journals? _____
9. If you use another person's ideas or expressions in your writing without giving credit, you are guilty of what? _____
10. What is a common misperception that students sometimes have about search engines like Google? _____

11. Name two of the six branch libraries on the Kent Campus: _____

12. List the four ways students can Ask a Librarian questions at KSU?
 - i. _____
 - ii. _____
 - iii. _____
 - iv. _____

13. What resource should you use to request books from other college libraries in Ohio? _____
14. What type of resource would you use to find articles from scholarly journals, magazines, and newspapers? _____
15. What is a PERC? _____
16. Using the ***World of Information on Campus*** chart in your FLASHGuide, identify the most appropriate resource for the listed information need.

	<u>Information Need</u>	<u>Information Source</u>
Example:	A book on Ohio history	KentLINK @ KSU Library
