

## Student Multimedia Studio guide for Downloading and Installing Audacity and the Lame MP3 encoder

Free Downloads and Complete Tutorials for installation and using Audacity are available on-line at: <u>http://audacity.sourceforge.net/download/</u> Windows

For easiest installation download the <b>Audacity 1.2.6</b> installer. Get it here.		Recommended Download <u>System Requirements</u> Click the appropriate link below, which takes you to the SourceForge download as". The SourceForge download should start automatically. If it does not, clic or "mirror". Only these links and the automatic download are authorized download managers if the download is incorrect.		
You will also need the <b>LAME MP3 encoder</b> . Ge	t it here.	<ul> <li>Windows 98/ME/2000/XP/Y a: Audacity 1.2.6 installer (.exe file, 2.1 ME editor. See further information about <u>Vista</u>.</li> <li>Optional Downloads</li> <li>Plug-ins and Libraries         <ul> <li>LADSPA plug-ins 0.4.15 installer (.exe file, 1.5 MB) - over 90 plug-ins.</li> <li>VST Enabler - Allows Audacity to load VST effect plug-ins.</li> <li>Plug-ins - Download additional effects and filters.</li> </ul> </li> <li>LAME MP3 encoder - Allows Audacity to export MP3 files.</li> </ul>		
Downloading Audacity 1.2.6	source	FIND AND DEVELOP OPEN SOURCE SOFTWARE		
After you click on the Audacity 1.2.6 installer link shown above, this window will open.	Find Software D	evelop Create Project Blog Site Support Abo		
Click on <b>Direct link</b> to download Audacity. —	Your Audaci Problems with the	ity download will start shortly		
After clicking on the above link, <b>SAVE</b> it to the desktop. After it's downloaded just double-click on the file and do a standard installation using all the default settings.		from o Ads by Google AVS Audio Editor		

Audacity is ready to use but you won't be able to export to MP3 format audio, only WAV format unless you go back and DOWNLOAD AND INSTALL THE LAME MP3 ENCODER... SEE LINK ABOVE.

## Downloading the Lame MP3 Encoder

After you click on the Lame MP3 encoder link (see link above)		Windows		
a new window will open.	/	<ol> <li>Go to the LAME download page.</li> </ol>		
Click on this link.		<ol> <li>Under "For Audacity on Windows", le anywhere on your computer. Do no</li> </ol>		
In the window that opens, choose this link	For Audacit	y on Windows: 2 for Audacity on Windows exe		
Then choose <b>SAVE</b> and save it to the desktop	Please support this download server. Any donation is HIGHLY appreciated (NOT required to download lame, lame is free).			

This is what the downloaded Lame MP3 encoder installer will look like on your desktop. Double-click it to install. Let it install the encoder to the default location, C:\Program Files\Lame for Audacity as shown on the right.

## Exporting as an MP3 audio file the first time from Audacity

File Edit View Project Ge New Open Close	When you're do as an MP3 "aud Audacity Project	ne editing you <b>io" file</b> . This v file.	r <b>AUDACITY "PROJEC</b> vill be the file you nee	<b>T</b> , you have to <b>EX</b> d to turn in, not th	ິເ <b>PORT it</b> າຍ	
Save Project Save Project As	Choose File > Export As MP3 as shown on the left.
