

KSUL Strategic Priorities 2022-2023

1. Secure and Sustain our Resources

(University Priority 5: Organizational Stewardship)

Ensure a culture of continuous improvement and efficient stewardship of our resources and infrastructure.

2. Advance Diversity, Equity and Inclusion

(University Priority 1: Students First)

Take action to support students, staff and faculty in learning about, examining, and repairing the effects of institutional racism and injustice.

3. Advance Right Book in Right Place

(University Priorities 1 & 2: Students First & A Distinctive Kent State)

Provide the information our users need in the most cost effective, timely and accessible ways possible.

4. Increase Student Success

(University Priority 1: Students First)

Provide welcoming, inclusive and engaging learning opportunities and support services that enable students to thrive and graduate as informed citizens committed to a life of impact.

5. Increase Research Success

(University Priority 2: A Distinctive Kent State)

Drive innovation and research excellence through expert support services and programs.
